

SUSTAINABILITY STATEMENT

Qatar Steel Company FZE is one of the leading Steel producers that will earn customer loyalty by providing sustainable, quality products and services in a safe and ethical manner. We are committed to integrating sustainable development principles into our operations by addressing environmental, health, safety, human rights, social, and economic aspects ensuring compliance with all applicable legal requirements and continually improving our assets, systems, and operations.

To achieve these sustainability objectives, we committed to:

- **Continue** reliable, trustworthy & ethical businesses with customers, suppliers, and other interested parties.
- **Ensure** that all our products, services, and activities fulfill the compliance obligations and sustainability requirements.
- **Instill** good governance and accountability by adopting a code of ethics and business conduct policy. Maintaining, and continually improving the integrated environment, health, safety, sustainability & quality management system to enhance the performance and to be dynamic.
- **Engage** with stakeholders to understand risk/opportunities; adopt innovative practices, responsible sourcing, and control manufacturing processes to maintain product performance, operational excellence, and sustainable development.
- **Strengthen** the health & safety culture. Provide a safe work environment for our employees, contractors, visitors, and other interested parties by encouraging consultation and participation of employees, contractors, and others.
- **Protect** the environment including the prevention of pollution, reducing transport impacts, effective use of natural resources, encouraging waste management/re-use, re-cycling, recognizing the ecological value and biodiversity of the site
- **Achieve** profitable growth by maintaining business operations in a manner that creates economic value for our stakeholders, meets high customer satisfaction, and contributes to the development of the local community.
- **Communicate** this policy within Qatar Steel Company FZE and make it available to the interested parties.
